

# Eagle River Waterfront Projects

Eagle River, located along Watersmeet Lake where the Wisconsin and Chain O'Lakes rivers meet, is known as the Snowmobile Capital of the World. Recent projects undertaken include:

Construction of a new multimodal bridge with decorative lighting and banners (pictured);

Installation of tourist-oriented directional signs;

Installation of a welcome sign at the end of the railroad bridge (pictured);

An old railroad bridge over the Eagle River used by snowmobiles; and

Snowmobile trail and bridge to downtown Eagle River.
